Legacy of more than 50 years of Excellence in Quality Education

# Undergraduate Catalog 2025-26
SYMBIOSIS
INTERNATIONAL UNIVERSITY
The World is One Family

INDEX

Chancellor's Message

Prof. (Dr.) S. B. Mujumdar
Founder & President, Symbiosis
Chancellor, SIU

Symbiosis was established in 1971, with the motto of 'Vasudhaiva Kutumbakam' the world is one family. Dedicated to promoting international understanding through quality education, Symbiosis is happy to now bring its commitment to a globally valued, multidisciplinary education to students in the UAE.

The university's strong global linkages are testament of its proactive approach to providing an internationalized learning experience to all its staff and students. The same standards of teaching-learning-research and pastoral care will create a conducive learning environment at its SIU, Dubai campus, leading to overall student well-being.

We look forward to welcoming students from Africa and Asia, in addition to the large Indian diaspora in the Gulf, to our new campus. This diversity will enrich the educational experience by bringing together perspectives from different cultural backgrounds. The focus on helping students

realize their potential aligns with our broader goal of education, which is not just about imparting knowledge but also empowering individuals to reach their personal and professional aspirations.

Our emphasis on multidisciplinary education is forward-thinking. Encouraging students to choose courses from multiple disciplines and broaden their perspectives is rooted in the need to be aware of the

interconnectedness of knowledge in the real world today. The overarching goal of creating globally valued graduates indicates our commitment to preparing students for success in an increasingly interconnected and globalized world.

This emphasis on diversity, multidisciplinary education, and international engagement will help us position SIU, Dubai as a hub for holistic and globally centered learning.

I extend a warm welcome to students to become a part of our rich legacy and experience the highest standards of learning at Symbiosis.

Pro Chancellor's Message

Dr. Vidya Yeravdekar
Principal Director, Symbiosis
Pro Chancellor, SIU

Symbiosis upholds its motto "Vasudhaiva Kutumbakkam" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The establishment of the Dubai campus is a significant step towards enhancing the inclusivity and diversity, that is predominant in all the Symbiosis' campuses. The University's global outreach and dedication to creating global citizens has been a guiding force behind its several initiatives.

As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well-equipped classrooms, accommodation and an environment that assists students in realising their potential while embracing diversity. The interdisciplinary studies will allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment. I am sure that students from the Gulf region, West Asia and Africa, and a huge Indian diaspora in the Gulf Region, will benefit from this campus.

Through the multidisciplinary education at the Dubai Campus, we aim to create globally valued graduates and expose students and faculty to international, intercultural and comparative aspects.

On behalf of the University, I wish you success and welcome you to the Symbiosis family!

Vice Chancellor's Message

Dr. Ramakrishnan Raman
Vice Chancellor, SIU

Dear Prospective Students and Parents,

It is with great pleasure and enthusiasm that I extend my warmest greetings on behalf of Symbiosis International University as we embark on a momentous journey to establish our first-ever campus outside India, right here in the vibrant and dynamic city of Dubai, United Arab Emirates.

Symbiosis International University has a rich legacy of over five decades, nurturing academic excellence and fostering a global perspective among students and faculty. Founded in 1971 by the visionary Prof. Dr. S.B. Mujumdar, our institution has been a second home for countless international students, embodying the ideals of "World as One Family" derived from Vedic thought.

The name 'Symbiosis' epitomizes the harmonious relationship we share with our international students, representing a mutually enriching bond between India and the global student community. Committed to promoting international understanding through the provision of top-tier education, we have proudly welcomed students from more than 85 countries, creating a truly diverse and vibrant learning environment.

Our journey continues as we extend our footprint to Dubai, the thriving heart of the United Arab Emirates. This new campus will offer a range of courses initially focusing on Management, Computer Studies, and Media. However, our vision is to expand into a broader spectrum of disciplines, including Engineering, Humanities and Social Sciences, Education, Medicine, and many others, ensuring a comprehensive educational experience for our students.

As we set forth on this exciting endeavor, we are committed to upholding the same standards of academic excellence, cultural diversity, and innovation that have defined Symbiosis throughout its history. Our Dubai campus will not only provide world-class education but also foster a dynamic and inclusive learning atmosphere where students from diverse backgrounds can thrive and excel.

I invite you to explore this catalog and discover the myriad opportunities that await you at Symbiosis International University in Dubai. Whether you are a prospective student or a parent seeking the best education for your child, we are here to support your aspirations and provide a holistic learning experience that will shape your future.

We look forward to welcoming you to our Symbiosis family and to the exciting educational journey that lies ahead. Together, let us embrace the spirit of knowledge, exploration, and global collaboration.

Executive Director's Message

Dr. Anita Patankar
Executive Director
SIU-Dubai

Hello,

It is with a sense of pride and delight that I welcome you all to the newest branch campus of Symbiosis International University (SIU) in Dubai UAE, which is also its first overseas campus. Symbiosis carries a legacy of over five decades having carved out a unique niche for itself on the Indian educational landscape for its scholarly quality, high teaching & learning standards, and world-class infrastructure. Symbiosis is a highly ranked University and a first-choice institution for a large number of bright students, not only from within India but from around the globe earnestly following its vision of "Promoting International Understanding through Quality Education". Synonymous for distinctive higher education options, Symbiosis hosts over forty thousand students, pursuing various under-graduate, graduate and doctoral programs in business management, computer technology, medical science, mass-communication, law, humanities and many more, from eighty-five countries at its multiple campuses across India that keep buzzing with academic, cultural and sporting activities all around the year.

At the Dubai campus, which is centrally located at the Dubai Knowledge Park, Symbiosis was established with a launch of four programs in Business Management (BBA & MBA), Computer Application (BCA) and Media & Communication (BAMC) with futuristic focus areas such as Artificial Intelligence & Machine Learning, Data Science & Data Analytics, Strategic Management & Leadership, Innovation & Entrepreneurship, Digital Marketing & Advertising. Now, Symbiosis Dubai has added five more programs such as B. Com (Honors), BSc in Psychology (Honors), Bachelor of Technology in Computer Engineering, BBA (Honors), and a dual degree in BBA with Aston University UK. The curriculum is designed to inculcate knowledge, skills, competencies, and responsibility attributes (as per QF Emirates 2024) which equips you with futuristic tools, techniques and attitude to face the fast changing and often unpredictable world head-on, and succeed in pursuit of your chosen profession. Moreover, the new programs also embed the professional practices, and evolving market needs to maximize student experience.

Symbiosis, following its core values of 'Vasudhaiva Kutumbakam' (the world is one family) and Diversity & Inclusion amongst others, is committed to bring to Dubai a distinctive dimension of academic rigor and practice, that matches the spirit of the dynamic and diverse environment of the United Arab Emirates. With the approval of the UAE Ministry of Education, qualifications offered by SIU Dubai, shall not only be internationally recognized but truly global in their applicability anywhere in the world.

On behalf of the Symbiosis International University, I invite you to join this unique family of professionals & leaders who are contributing meaningfully to their society and global community for decades. A wonderful opportunity awaits you here to take you on a path of delightful learning. I wish you all the very best in your academic and professional pursuits.

An Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

"It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys' hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So, one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys' hostel, she hands over the tiffin box through the window.' I was stunned. After all, it wasn't the type of 'affair' I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. "Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus, the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then.

Today it is home to students from more than 85 different countries. These students are offered the best learning resources, industry exposure, a strong international students' alumni network, a global recognition, and above all, a truly enriching Indian experience

SYMBIOSIS INTERNATIONAL UNIVERSITY, PUNE, INDIA

Symbiosis International University is a vibrant ecosystem where cultures interweave, minds expand, and the future takes shape. Founded in 1971 with the vision of "Promoting International Understanding through Quality Education," Symbiosis has become a beacon of multicultural learning, welcoming students from over 85 countries. Symbiosis draws inspiration from the ancient Vedic philosophy of *"Vasudhaiva Kutumbakkam,"* meaning "The World is One Family."

Symbiosis International University was established in 2002, and has campuses in six cities across four states, each pulsating with the energy of international students and academic excellence. This spirit of inclusivity manifests in every aspect of the university, from its diverse student body to its commitment to building bridges between nations. The University offers a kaleidoscope of academic programs, ranging from undergraduate degrees to doctoral studies, diplomas and certificate programs. Whether your passion lies in management, law, computer science, medical and health sciences, media communication, design, engineering or humanities, Symbiosis International University has a path for you.

The university is a champion of research and innovation, fostering a culture of exploration and discovery. The university boasts dedicated research centers where faculty and students collaborate on ground breaking projects, pushing the boundaries of knowledge. The university provides more than just academic rigor; it cultivates a vibrant student life filled with opportunities for growth and connection. From cultural events and sports teams to social initiatives and service learning projects, students learn, thrive, and build lifelong friendships in a diverse and dynamic environment. Symbiosis is deeply committed to the cause of "Health for All."

Choosing Symbiosis International University is choosing more than just a university; it's choosing a community, a family, and a world of possibilities. Come experience the magic of a truly international education, where diversity is celebrated, innovation thrives, and your future takes flight.

Program Accreditation

Undergraduate programs are [accredited](#) by the Commission for Academic Accreditation (CAA) of the Ministry of Education, UAE.

Admissions

Your Gateway to Success: Undergraduate Admissions at Symbiosis International University, Dubai.

Embark on an enriching academic journey at SIU, Dubai! We offer a diverse range of undergraduate and graduate

programs designed to equip you with the knowledge, skills, and confidence to thrive in the field of Business Management, Computer Studies, and Media & Communication.

Fuel your passion, step-by-step:

Discover your passion: Find the program that sparks your academic flame and fuels your career

aspirations.

Check your readiness: Each program has specific entry requirements. Go through the Catalog and ensure you meet the eligibility criteria regarding grades, test scores, and English proficiency.

Showcase your brilliance: Gather your academic transcripts, test scores, and glowing recommendations. Make sure everything's clear and in line with our requirements.

Beyond the Form: If short-listed, you will be invited to share your strengths in a personal interview. Be ready to showcase your communication skills, critical thinking, and reasons why you'd thrive in the SIU, Dubai community.

Decision Time: After a thorough review, we will notify you of our decision. Keep an eye on your email and the application portal for updates.

Celebrate and secure your seat: Got an offer? Congratulations! Review the terms, accept within the deadline, and submit any additional documents. Now, get ready for a transformative journey at SIU Dubai!

For admission related queries: email to admissions@siu-dubai.ac.ae

Important Dates	
Applications open	1st Feb 2025
Last Date for Awarding Scholarships	June 1st to June 31st,2025
Waiting List Announcement	1st July to 31st July,2025
Student Visa application date	1st Aug to 20th Aug,2025
Applications closing date	25th Aug,2025
Last date of Payment of 1st Semester fees	31st Aug,2025

Undergraduate Admissions

All applications for admissions of students at SIU, Dubai will be verified and routed through an Admission Committee.

Eligibility Criteria:

- **Proficiency in English:** UAE MOE High School English Score or equivalent: 80%
- **Academic Eligibility:** 50% or SIU-Dubai established equivalents by different High School Board/Curriculums
- **Subject Specific Requirements (if Applicable):** Math, Physics, and Chemistry or Biology (UAE *High School Subject Score: 80 % or equivalent*)

Proficiency in English:

1. UAE MOE High School English Score or equivalent: 80%
2. Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores.
3. Students who have studied non-MOE curriculum, instructed in English, are not required to prove English proficiency or not required to obtain scores from international standardized tests.
4. Those who do not fulfil the minimum high school English language requirement of 80% have to submit a minimum score of an international standardized test that are approved by CAA, such as follows:

International Standardised Tests (IST)

- IELTS (Academic) 5.0
- Paper-based TOEFL 500
- Internet-based (iBT) TOEFL 61
- Computer-based (CBT) TOEFL 173
- Any other standardized, nationally or internationally recognized test that is approved by the CAA/Ministry of Education, UAE

Original scores are a must! Request certified copies, sent directly from the testing

organization.

Need a boost? SIU's English bridge course can help if you fall short of the above English proficiency scores. Send an email to **admissions@siu-dubai.ac.ae** for more details.

Candidates can then join the program after successful completion of this bridge course.

Stay updated! MoE may revise approved tests and scores. Check their website for latest info.

  With dedication, the right program, and this guide as your compass, you're well on your way to joining the vibrant academic community at Symbiosis International University, Dubai. We wish you the best of luck on your admission journey!

Student Services

Library: The library has a great ambience with a reading hall and a reference section. It also has a digital library and internet browsing facility with e-books and online databases. Apart from this, SIU Dubai shall provide to its students, through various co-operative agreements with other libraries and learning resource centers based locally. This shall greatly benefit our students by expanding access to resources and enhancing learning opportunities. The library shall remain open from 9.00 am to 8.00 pm from Monday to Friday. Students are requested to refer to the Student Handbook and Library Manual for details of Library usage policies and procedures.

Emotional Well-being: SIU, Dubai is committed to supporting the overall, holistic health & well-being of its students & staff.

Extra-Curricular activities: There are ample opportunities for students to showcase their talents and pursue their interests through a diverse range of extracurricular and co-curricular activities and competitions.
Code of Conduct

The Code of Conduct helps maintain an appropriate sense of order that allows the pursuit of the desired graduate attributes in a safe and fair environment. SIU, Dubai prioritizes a respectful, inclusive, and academically enriching environment for all. By following these guidelines, you contribute to a community of excellence and unlock your full potential as a student.

Respect and Inclusion:
- Treat everyone with respect, regardless of their background or beliefs. Discrimination based on race, color, religion, gender, etc. is strictly prohibited.
- Uphold the law and avoid any unlawful conduct.

Commitment to SIU, Dubai:
- Embrace the university's mission, values, and ethos. Follow all rules and regulations, even as they evolve.
- Contribute to a safe and inclusive campus environment free from harassment or discrimination. SIU, Dubai has a zero- tolerance policy towards sexual harassment and offers resources for support and reporting.

Academic Expectations:
- Maintain a minimum 75% attendance to be eligible for semester exams. Manage personal and extracurricular activities within the allotted 25% absence limit.
- Aim for at least 90% attendance to participate in the SIU, Dubai placement process.
- Complete assignments and academic activities on time, regardless of personal challenges. Be self-motivated and strive for excellence in your studies and extracurriculars.

Professionalism and Conduct:
- Dress appropriately, including wearing uniforms during guest lectures and seminars.
- Smoking, alcohol, and drugs are strictly prohibited on campus. Violations will result in disciplinary action, including expulsion.

Continuous Improvement and Communication:
- Be aware that curriculum, fees, and procedures may evolve as SIU, Dubai grows and adapts. Updates will be communicated regularly.
- If you have any concerns, utilize the proper channels to address them with the relevant committees.

Student Dress Code:
SIU, Dubai embraces a community rich in diverse cultures and backgrounds. In keeping with this spirit, we encourage students to dress in a way that reflects both professionalism and respect for the cultural and religious ethos of the UAE.

Grievance Redressal:

SIU, Dubai is committed to providing a fair, safe, and productive learning environment for all students. SIU, Dubai has a provision to constitute Student Grievance Redressal Committee (SGRC) to resolve any grievances as per the university level guideline.

Appeals

Any student(s) aggrieved by the decisions taken summarily by the Director/ Head-Student Services [without forwarding the case to the Campus Disciplinary Committee (CDC)] may wish to file an appeal before the Campus Disciplinary Committee within a period of seven (7) working days. Any person aggrieved by the decision of CDC may wish to file an appeal before the Director, SIU, Dubai within a period of seven (7) working days.

Procedure for Appeal:

The student aggrieved by the decision of the Director / Head-Student Services may prefer an appeal in the prescribed format before the Campus Disciplinary Committee within a period of seven (7) working days. The students aggrieved by the decision of the Campus Disciplinary Committee may prefer an appeal in the prescribed format before the Director, SIU, Dubai within a period of seven (7) working days. The Director may set up a committee or may seek the assistance of external experts as the case may be to investigate all relevant documents, findings and recommendation(s) related to the case. After hearing all the concerned parties and considering all the available materials on record, the Director shall take just and fair decisions. This decision shall be final and binding on all parties

Appeals before the Campus Disciplinary Committee:

The following procedure shall be followed to inquire and decide with the appeals before the Campus Disciplinary Committee:
- Any aggrieved student can file an appeal with the Campus Disciplinary Committee within seven (7) working days.
- The Member Secretary of the Campus Disciplinary Committee shall send a notice of hearing to the appealing student(s) and/ or parents (wherever applicable) and the Director within five (5) working days from receipt of the appeal in the prescribed format.
- The appealing student(s) shall be given a just and fair opportunity of hearing. They may, if they so desire, file their written statements. Under exceptional circumstances, either party may produce additional document(s) or lead additional evidence(s).
- The Campus Disciplinary Committee, in appropriate cases may permit the appearance of a party through electronic/online means.
- Either party does not have the right to legal representation during the appeal.
- The University shall arrange for inspection of documents, material, statements etc., if so desired, on the respective campus. The Committee shall follow the principles of natural justice while inquiring and deciding with the appeal.
- After hearing all the concerned parties and considering all the available materials on record, the Campus Disciplinary Committee shall take just and fair decisions. The Member Secretary of the Campus Disciplinary Committee shall communicate the decision of the Campus Disciplinary Committee to the appealing students/ concerned parties, with a copy to the Director and Officer, Student Welfare, within three days after the hearing.
- The Member Secretary shall communicate the decision of the appeal(s) to the appealing student(s)/parent(s), and the Director SIU, Dubai with a copy to the Campus Disciplinary Committee members and the Officer-Student Welfare.
- Either party may prefer a second appeal against the decision of Campus Disciplinary Committee before the Director, SIU, Dubai within three (3) working days after receiving the decision.
- The Officer-Student Welfare shall make a monthly report of all cases and submit it to the Director, SIU, Dubai.

Academic Integrity

SIU, Dubai upholds the principles of academic integrity. Academic misconduct can include acts of cheating, plagiarism (the representation of words, expressions, productions, or creative works of another as one's own, including presenting the work of current courses that is the same as a previous submission for another course without obtaining the instructor's permission), **AI generated content**, fabrication of facts and assignments, buying or selling of examination papers or assignments, failing to comply with the code of conduct for examination, and will result in appropriate punishment as detailed in the Student Handbook.

- At SIU, Dubai, integrity, courtesy, and consideration are not just words, they are the pillars of our academic community. We believe in fostering a learning environment where everyone feels respected and can thrive through honest effort.
- However, we understand that mistakes can happen. If any concerns about academic misconduct are raised, a competent authority will investigate and take appropriate action based on the severity of the issue.
- To be clear, academic misconduct, including plagiarism and unfair means during assessments, has no place at SIU, Dubai. We encourage all students to uphold the highest standards of academic integrity, not just to avoid consequences, but because it strengthens your learning and promotes fair competition.
- While this list provides examples of disruptive conduct and academic misconduct, it is not exhaustive. We reserve the right to address any behavior that undermines the university's mission or disrupts the learning environment.
- The Code of Conduct serves as a detailed guide to ethical behavior and expected conduct at SIU, Dubai. We encourage you to familiarize yourself with it to ensure a smooth and successful academic journey.
- Remember, fostering an environment of integrity benefits everyone. By embracing honesty and respect, we all contribute
to a vibrant and supportive learning community where everyone can reach their full potential.

Understanding of Credits:

SIU, Dubai follows the internationally recognized practice of considering 1-semester credit equal to approximately 1 hour of time in class per week over a semester of 15 weeks or longer.

For the experiential learning/ practicum component of courses or laboratory or studio-based courses, 1-semester credit requires two hours of experiential learning (laboratory time or studio time, etc.) which will be considered equivalent to 1 hour of class time.

SIU, Dubai regards 60 credits relevant to the focused as fulfilling the requirements of a major within a program and 24 course credits relevant to the focused as fulfilling the requirements of a minor within a program.
Core courses are discipline-specific courses that students in a particular program have to complete irrespective of focused (major).

Bachelor of Computer Applications

Program Learning Outcomes

The General Education component of the program includes 22 credits and aims to help students gain knowledge of local / regional history and culture and foundational skills necessary for their success in the undergraduate programme.

General Education Program	
Learning Outcomes	Alignment with QF *Emirates*– Level 7 (Bachelors' Degree)
PLO 1 — Demonstrate an understanding of the history and culture of the UAE and its impact on the socio-economic environment of the country and the region.	Knowledge
PLO 2 — Apply critical thinking, innovation, and entrepreneurship skills to design sustainable solutions for contemporary challenges	Skill
PLO 3 — Illustrate adequate Numerical, Computation, Communication, and Social skills necessary for academic success	Skill

BCA Program Learning Outcomes aligned with QFEmirates: Level 7 (Bachelors' Degree)

Program –BCA	
Learning Outcomes Upon the successful completion of the BCA program, students will be able to:	Alignment with QF *Emirates*– Level 7 (Bachelors' Degree)
PLO 1 — Demonstrate understanding of principles and advanced concepts related to computer applications, including artificial intelligence, machine learning, cloud computing, data science, and data analytics, for applying this knowledge to solve complex real-world problems.	Knowledge
PLO 2 — Critically analyze complex problems in computer applications by employing advanced critical thinking, problem-solving, and decision-making skills within an evolving global technological landscape.	Competence – Autonomy and Responsibility
PLO 3 — Integrate and apply theoretical knowledge in practical contexts through hands-on experiences, demonstrating the ability to bridge theory and practice effectively.	Skill
PLO 4 — Demonstrate the use of effective communication skills and the ability to work collaboratively in diverse, multidisciplinary teams to achieve common goals.	Competence – Role in Context
PLO 5 — Evaluate ethical standards in professional practice and demonstrate awareness of social and ethical implications in the field of computer applications.	Competence – Role in Context
PLO 6 — Evaluate contemporary research in computer applications that contribute to advancing knowledge in the field for effective implementation or usage.	Competence – Self development

Major Core Courses
• Web Technologies
• Introduction to Python Programming
• Relational Database Management System
• Introduction to Cloud Computing
• Network Essentials
• Foundations of Data Warehousing and
  Data Mining
• Data Structures and Algorithms
• Operating Systems
• Structured Query Language
• Research Methodology

Artificial Intelligence and Machine Learning
• Web Performance Analysis
• Introduction to Artificial Intelligence
• Machine Learning
• Natural Language and Responsive AI
• Predictive Analytics
• Neural Network
• Multimodal Machine Learning
• Supervised Machine Learning and Advances
• Deep Learning
• AI Applications in Social Media

Cloud Computing
• Internet of Things
• Cloud Applications for Business Processes
• Cloud Architectures and Security
• Cloud Administration and Management
• Fog Computing and Edge Computing
• Virtualization and Security
• Grid Computing and Utility Computing
• Cloud Based Solution Architecture
• Cloud Data Centre Management
• Cloud and AI

Data Science and Data Analytics
• Text Mining
• Data Science I
• Essentials of Business Intelligence
• Data Preparation and Data Management
• Big Data: Storage and Analytics
• Advanced Big Data Analytics
• Open Source Tools for Data Science
• Data Visualisation
• Statistical Machine Learning
• Python for Data Science

**Bachelor of Technology in Computer Engineering
Weekday: Payment Plan – Academic Fees & Charges**

Medical and Visa** charges for overseas students seeking student visa shall be AED 5,000 in the first year, renewable every year for AED 3500/-

Note:
- Application Fee (non-refundable) will be charged @ AED 250 + 10% of Annual Tuition fees per program.
- Any other charges incurred on behalf of the student/ to provide services to the student will be charged at actuals.
- Backlog Fee will be charged additional @ AED 500 + 5% VAT per course as applicable.
- Graduation Fee will be charged additional @ AED 500 + 5% VAT per course as applicable.
- *Medical Insurance and Visa charges (non-refundable) (inclusive of VAT), will be additional @ AED 5000 for overseas students requiring institutional visa, AED 1,000 will be charged in addition to this for students who are within UAE.
- Administrative fees (non-refundable) @ AED 1000 + 5% VAT will have to be paid by the student at the time of application for the cancellation of the admission.
- Administrative fees (non-refundable) @ AED 1000 + 5% VAT will have to be paid by the student at the time of application for the transfer of the admission.
- A late fee will be applicable for all fee payments that are not paid as per the schedule.
- VAT @ 5% will be charged extra on fees except refundable Security Deposit.
- *Applicable fees of 1000 AED + 5% VAT for students undertaking SIUD Bridge Courses on English, Mathematics, Physics, Chemistry, and Biology*

Fees Collection:
- Each SIU, Dubai program listed in the catalogue carries a prescribed fees. Students admitted to a program must pay this prescribed fee on or before the date mentioned in the invoice.
- A fee payment schedule is provided upon admission to admitted student and in case of an installment plan the payment should be made by the 10th of each month.
- The University may allow payment of semester fees in up to two instalments per semester upon request.

Annual Installment Plans
- 1st Installment – Before start of Fall Semester
- 2nd Installment – 8th Week of Fall Semester
- 3rd Installment – Before start of Spring Semester
- 4th Installment – 8th Week of Spring Semester

The fees can be paid through any of the following mode of payment :

• Cash

• Credit or Debit Card

• Cheque

• Direct Bank Transfer

• Website Payment Gateway

• Online Payment Link,

• Payment against Cheque(s) can be done 5 days prior to the date of the presenting the Cheque(s).

• If paying by bank transfer, all bank charges are to be borne by the remitter. Receipts will be issued upon confirmation of the transfer.

• Fees can also be paid at the Fee Counter in the university from 9:00 AM to 3:30 PM on all working days, using cash, cheque, or credit / debit card.

• Students with outstanding dues will have their academic records withheld and will not be allowed to register for the next semester.

Students who pay tuition fees with post-dated cheques must follow the following procedures:

• All Cheque(s) should be made payable to "SYMBIOSIS INTERNATIONAL UNIVERSITY" and the date mentioned on the Cheque(s) should not be later than the 10th of the month.

• In the event of a Cheque being dishonored, the student will be charged with Cheque Return charges as mentioned in the Fees Structure.

• In case of withdrawal from a program by the student, the fee will be processed as per the Refund Policy.

• The rest of the submitted post-dated cheques will be returned.

Program Tuition Fees

Academic Fees	Annual Fees (AED)	Annual Fees In AED (5% VAT incl)
Bachelor of Technology in Computer Engineering	**53550**	**56228**

Other Fees / Charges	Payment Frequency	Fee - AED
Common Fees		
Application Fee	One Time	1,500 (VAT incl.)
Security Deposit	One Time	4,000
Lab Deposit	**One Time**	**2000**

Graduation Fees	One Time	500 + 5% VAT
Visa and Medical Insurance (Inside UAE)	Yearly	6,000 (VAT incl.)
Visa and Medical Insurance (Outside UAE)	Yearly	5,000 (VAT incl.)
Visa and Medical Insurance Renewal	Yearly	3,500 (VAT incl.)
Visa Cancellation Fee (Inside UAE)	One Time	800 (VAT incl.)

Visa Cancellation Fee (Outside UAE)	One Time	2100 (VAT incl.)
Hostel Fee	Monthly	As per chosen accommodation*
Transportation Fees	Monthly	As per chosen service*
Bonafide Letters (Driving License, Embassy, Consulate, Passport Office, Bank, RTA. Etc.)	As Applicable	150 + 5% VAT
Duplicate Transcript charges (per transcript)		100 + 5% VAT
Re-Totaling fee/Re-checking charges		100 + 5% VAT
Degree Certificate changes		150 + 5% VAT
Duplicate Student ID Card		50 + 5% VAT
Duplicate Student Admit Card		50 + 5% VAT
Fines and Penalties		
Late payment fee (Per day)	As Applicable	10 (VAT incl.)
Library Damages	As Applicable	As per incident report
Cheque Dishonor Charges	As Applicable	150 (VAT incl.)

* Hostel Facility - KSK Homes / The Myriad / Yugo Dubailand / Any other
* Transportation - STS Transport/Any Other.

Note - All above mentioned charges are subject to change depending upon factors not under the University's control and shall depend on any change in Government / Immigration charges; Insurance subscription charges; Accommodation provider revising rentals; Transport Provider revising rates etc.

Tuition & Other Fees

The tuition fees are charged on an annual basis and remains consistent for students who remain continuously enrolled and complete their program. Any instances of program postponement will be handled in accordance with Refund Policy

- Annual fee changes may occur to both tuition fees and other fees; changes in tuition fees will be applied to only new admissions, other fees changes will be applicable to both new admissions and continuing students.
- These changes will take effect at the beginning of each new academic year, and detailed information will be published by the Finance Department beforehand.
- Any change to tuition and other fees shall be announced and broadcasted well in advance on all SIUD communication platforms including the Catalogue of the academic year, prior to the start of each academic year.

Fines & Penalties:

- A late fee payment of AED 10/-per day will be charged if fees are not paid by the due date.
- Any dishonored charges will be subject to a 150 AED fee.
- Exam appearance and access to all University facilities may be restricted in the case that the fee is not paid.
- Any certification including at the completion of a course/program shall be subject to full fees payment as prescribed.

Scholarship / Fee waiver

- The approval of the scholarship is subject to meeting the admission, scholarship criteria and submission of the supporting documents.
- Students who meet the admissions requirements and complete the registration formalities will be offered a fee payment plan in addition to the scholarship / fee waiver granted to them at the time of acceptance.

Bachelor of Technology in Computer Engineering

Degree Structure	Total credits* -153 Professional Studies and General Education - 19; Core-Computer Engineering and Labs- 85, Core Mathematics and Science- 25 Credits, Practical Experience and Project (Internship and Capstone Project) - 9, Technical Electives- 15
Degree Award	Bachelor of Technology in Computer Engineering
Technical Electives/ Concentration	Electives -15 Credits from courses listed under four technical areas: Intelligent Systems, Computational Intelligence, Gaming Design and Development, Emerging Technologies
Duration	8 Semesters
Credits and Experiential Learning	SIU Dubai offers courses carrying 1/2/3 / 4 Credits in Bachelor of Technology in Computer Engineering. • 1 Credit Classroom Teaching = 15 Contact Hours/ Semester • 1 Credit lab = 30 Contact Hours/ Semester • Computer Engineering Internship 4-weeks (90-120 hrs.) will be organized during Summer break • Capstone Project Phase – I and II will cover ideation, literature review, methodology and orient students to demonstrate competency, values, and professionalism within the given context.
Intake	Two intakes - Fall and Spring
Eligibility	**Academic Eligibility:** A minimum of 50% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized High School Board. **Lateral Entry Students:** Lateral entry into the 2nd year of the Bachelor of Technology in Computer Engineering program is permitted for students who have completed a minimum three-year diploma or equivalent in any branch of engineering or technology with at least 50% marks. This will be applicable from September 2026. **English Proficiency:** 1. UAE MOE High School English Score or equivalent: 80% 2. Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores. 3. Students who have studied non-MOE curriculum, instructed in English, are not required to prove English proficiency or not required to obtain scores from international standardized tests. Those who do not fulfil the minimum high school English language requirement of 80% have to submit a minimum score of an international standardized test: IELTS (Academic) 5.0 / Paper-based TOEFL 500 / Internet-based (iBT) TOEFL 61 / Computer-based (CBT) TOEFL 173 **Subject-Specific Requirements (Maths, Physics, and Chemistry or Biology):** For the Bachelor of Technology in Computer Engineering program, it is compulsory for students to have studied Mathematics, Physics, and with either of Chemistry/ Biology in Higher School Subject with a Passing Score as per MOE curriculum or equivalent (High School Subject Score: 80 in Math and Physics and 1 of Chem/Bio or equivalent). The overall requirement, as per academic eligibility, is that students must have scored a minimum of 80 or equivalent in all three subjects mentioned above.
Selection Procedure	Admissions Committee will shortlist the applications based on the student's previous academic track record, English Proficiency Test, Subject Specific Requirements, Passport copy or valid Emirates ID. SIU Dubai will then issue an admission offer letter to the selected candidates. Upon acceptance of the admissions offer, the student shall complete the document and fee submission formalities within a prescribed time frame to secure admission.
Fee Structure	Fees per year: AED 53550* * VAT @ 5% will be charged extra • ACADEMIC FEES TO BE PAID IN AED/USD Caution Money Deposit (Refundable): AED 4000 (To be paid in the 1st year)

Bachelor of Business Administration (Honors)

Program Learning Outcomes

The General Education component of the program includes 20 credits and aims to help students gain knowledge of local / regional history and culture and foundational skills necessary for their success in the undergraduate programme.

B.Sc. in Psychology (Honours) Program Learning Outcomes aligned with QFEmirates: Level 7 (Bachelors' Degree)

Program – BBA (Honors)		
Learning Outcomes After successful completion of the **BBA (Honours)** program, the student will be able to:		Alignment with QF *Emirates 2024*– Level 6 (Bachelors' Degree)
PLO 1	Demonstrate comprehensive knowledge of core business principles and specialized domains.	Knowledge
PLO 2	Apply analytical, quantitative, and critical thinking skills to solve real-world business problems	Skill
PLO 3	Utilize experiential learning to connect theory with practice through internships, projects, and industry engagement	Skill
PLO 4	Communicate clearly and effectively in professional and cross-cultural business environments	Skill
PLO 5	Display leadership, teamwork, and interpersonal skills essential for organizational success	Skill
PLO 6	Uphold ethical standards, social responsibility, and sustainability in business decision-making	Responsibility

Bachelor of Business Administration (Honors)

Degree Structure	Total credits* -149 Core-56, Electives-32, Advance Elective-8, General Education-20, Internship-6, Project-8, Dissertation-12, Industry Collaboration Course-4, Open Elective-3
Concentration/s	Students will have four options: • Finance • Marketing • Logistics & Supply Chain Management • Human Resource Management
Degree Award	• BBA Finance • BBA Marketing • BBA Logistics & Supply Chain Management • BBA Human Resource Management • BBA Honors - Finance • BBA Honors - Marketing • BBA Honors - Logistics & Supply Chain Management • BBA Honors - Human Resource
Duration	• 8 Semesters / 6 Semesters with three-year exit (BBA) / (BBA (H)
Credits and Experiential Learning	SIU Dubai offers courses carrying 2/ 4 / 3 / 6 / 8 / 12 Credits in the BBA Honors Program. Each Credit is equivalent to 15 Classroom Teaching Hours. Each course also contains up to 20% of hours conducted using Experiential Learning methods.
Eligibility	A minimum of 50% marks or equivalent grade in Standard XII (10+2) or an equivalent examination from a recognized High School Board. English Proficiency: 1. UAE MOE High School English Score or equivalent: 80% 2. Students who have studied non-MOE curriculum, not instructed in English, are required to submit international standardized test scores. 3. Students who have studied non-MOE curriculum, instructed in English, are not required to prove English proficiency or not required to obtain scores from international standardized tests. Those who do not fulfil the minimum high school English language requirement of 80% have to submit a minimum score of an international standardized test: IELTS (Academic) 5.0 / Paper-based TOEFL 500 / Internet-based (iBT) TOEFL 61 / Computer-based (CBT) TOEFL 173
Selection Procedure	The Admission Committee will shortlist the applications based on the student's previous academic track record, English Proficiency Test, Statement of Purpose, Letters of Recommendation, Passport copy and CV (Curriculum Vitae). Shortlisted candidates will be invited for a personal interview. SIU, Dubai will then declare the merit list of the selected candidates.
Fee Structure	Fees per year: AED 42000* * VAT @ 5% will be charged extra • ACADEMIC FEES TO BE PAID IN AED/USD Caution Money Deposit (Refundable): AED 4000 (To be paid in the 1st year)
Courses* *Note: The list of courses may be periodically revised to assure contemporary relevance	**General Education** • Fundamentals of IT & Digital Skills • Arabic Conversation Skills • Communication & Presentation Skills • Entrepreneurship, Innovation, and Sustainability • UAE: History and Culture • Design Thinking • Cross Cultural Management • UAE History and Culture

Core Courses
• Principles of Management
• Financial Accounting
• Business Economics
• Business Finance
• Organizational Behaviour
• Corporate Governance and Business Ethics
• Business Research Methods
• Operation Research
• Statistics for Business
• Strategic Management
• Project Management
• International Business and Trade
• Systematic Review and Ethics
• Data Analysis Tools and Techniques for Researchers

Open Elective
- Predictive Analytics
- Data Visualisation
- Digital Branding Strategy
- Psychological Assessments
- Google Analytics
- Creativity and Innovation
- Blockchain Technology
- Python Programming

Finance Elective Courses
• Financial Analytics
• Security Analysis and Portfolio Management
• Foreign Exchange Management
• Financial Derivatives
• Banking and Financial Services
• Fintech and Blockchain
• Mergers & Acquisitions
• Sustainable Finance and ESG Investing
• Behavioral Finance
• Risk Management
• Entrepreneurial Finance

Logistics and Supply Chain Management Elective Courses
- Logistics and Distribution Management
- Inventory and Warehouse Management
- Reverse Logistics and Return Management
- Supply Chain Management
- Cold Chain Logistics
- Supply Chain Analytics
- Procurement and Sourcing Strategies
- Risk Management in Supply Chains
- Customs Regulations and Trade Compliance
- Maritime and Port Logistics
  Industry Trends in Logistics and Supply Chain

Marketing Elective Courses
- Digital Marketing
- Green Marketing and Sustainability
- Social Media Marketing
- Sales and Distribution Management
- Retail Marketing
- Marketing Analytics
- Brand Management
- Consumer Behaviour
- International Marketing
- Luxury and Lifestyle Marketing
- Sports and Entertainment Marketing

- Organizational Change and Transformation

Semester Wise Course/ Study Plan

Semester I			
Catalogue Code	**Course Title**	**Course Category**	**Credits**
DBBA101	Principles of Management	Core	4
DBBA102	Financial Accounting	Core	4
DBBA103	Business Economics	Core	4
DGEN101	Fundamentals of IT & Digital Skills	General Education	3
DGEN102	Arabic Conversation Skills	General Education	3
		TOTAL	**18**

Semester II			
Catalogue Code	**Course Title**	**Course Category**	**Credits**
DBBA204	Business Finance	Core	4
DBBA205	Organizational Behaviour	Core	4
DBBA206	Corporate Governance and Business Ethics	Core	4
DGEN203	Communication & Presentation Skills	General Education	3
DBT2001	Entrepreneurship, Innovation, and Sustainability	General Education	3
		TOTAL	**18**

Semester III			
Catalogue Code	**Course Title**	**Course Category**	**Credits**
DBBA301	Business Research Methods	Core	4
DBBA302	Operation Research	Core	4
Refer Annexure A/B/C/D	Elective 1 (FIN/MKT/HRM/LSCM) *	Elective	4
DT8732	Design Thinking	General Education	3
DT2276	Cross Cultural Management	General Education	3
DBT6002	UAE History and Culture	General Education	2
		TOTAL	**20**

*Elective courses under each concentration will be offered subject to student interest; in the absence of sufficient interest in a particular concentration, it may not be offered. Elective courses in respective concentration will be offered if there are at least 5-enrolments.

Semester IV			
Catalogue Code	**Course Title**	**Course Category**	**Credits**
DBBA403	Statistics for Business	Core	4
DBBA404	Strategic Management	Core	4
Refer Annexure A/B/C/D	Elective 2 (FIN/MKT/HRM/LSCM)	Elective	4
Refer Annexure A/B/C/D	Elective 3 (FIN/MKT/HRM/LSCM)	Elective	4
DBBA405	Lean Six Sigma**	Industry Collaboration course	4
		TOTAL	**20**

** This course is offered in collaboration with Industry partners. Upon completion, students will be eligible to appear for the internationally recognized professional certification like Lean Six Sigma Green Belt Certification.
Note: The specific certification may vary depending on the partnering industry body, allowing flexibility in aligning with globally accepted standards and institutional partnerships.

Semester V			
Catalogue Code	**Course Title**	**Course Category**	**Credits**
DBBA501	Project Management	Core	4
Refer Annexure A/B/C/D	Elective 4 (FIN/MKT/HRM/LSCM)	Elective	4
Refer Annexure A/B/C/D	Elective 5 (FIN/MKT/HRM/LSCM)	Elective	4
Refer Annexure A/B/C/D	Elective 6 (FIN/MKT/HRM/LSCM)	Elective	4
Refer Annexure E	Open Elective (Choose 1)	Open Elective	3

DBLSC-AE2	Reverse Logistics and Circular Supply Chains	Advance Elective	4	Logistics and Supply Chain Management
DBLSC-AE3	Advanced Demand Forecasting and Inventory Strategies	Advance Elective	4	Logistics and Supply Chain Management
DBHR-AE1	People Analytics and Strategic Workforce Planning	Advance Elective	4	Human Resource Management
DBHR-AE2	HR Tech and Digital HRM Platforms	Advance Elective	4	Human Resource Management
DBHR-AE3	Organizational Change and Transformation	Advance Elective	4	Human Resource Management

*The courses will be delivered according to SIU-Dubai's timetable and offered if there are at least 5-enrollments for the course.

Fee Refund Policy

Policy for Refund of Fees on account of Cancellation of Admission for Undergraduate Programs.

Sr. No.	Cancellation/ Withdrawal of Admissions Before Commencement of the Program	Cancellation/Withdrawal of Admissions After Commencement of the Program	
		Within 2 weeks from Commencement o f the Program	**After 2 weeks from Commencement of the Program**
1	Full refund of fees except Application Fees +10 % Annual Tuition fees which are Non-Refundable.	50% of the Academic Fees will be deducted and remaining amount will be refunded.	100% of the Academic Fees will be deducted.
2	Administrative fees of AED 1000 + 5% VAT will have to be paid by the student at the time of application for the cancellation of the admission.	Administrative fees of AED 1000 + 5% VAT will have to be paid by the student at the time of application for the cancellation of the admission.	Administrative fees of AED 1000 + 5% VAT will have to be paid by the student at the time of application for the cancellation of the admission.

Notes:

- If the student does not attend any class for 3 consecutive weeks from the commencement of the program, SIU Dubai has the right to cancel admission and the student's visa; no fee refund will be applicable, and visa cancellation charges will have to be paid by the student.

- Application Fees are Non-Refundable.

- No refund will be applicable if a student transfers application to the next intake and decides to cancel thereafter.

- Refundable amounts are calculated based on the date that the withdrawal form is submitted to Student Services, regardless of the student's enrollment status, attendance history, or joining date.

- Refunds will be processed within 45 to 60 days after the withdrawal and supporting documentation are submitted.

Grading System

Symbiosis International University, Dubai, will follow Cumulative Grade Point Average (CGPA) systems for all the programs. Grading system was modified on January 10, 2025 and implemented from Spring 2025 onwards to align standards with parent campus, local peers, and to accurately recognize student performance.

- All SIU Dubai programs adhere to the distribution of Continuous Assessments and Semester End Examinations prescribed in their respective approved program structures.
- Mandatory non-credit courses shall not be considered for computation of GPA/ CGPA. The grade P (Pass) will be printed on the grade sheet after the student passes the course. This course is evaluated on a 100% continuous basis.
- The assessment of the student for each examination is done based on absolute grading.
- Students who have not appeared for course assessments or examinations will be marked Absent with a Grade 'AB'.
- The percentage of marks attained in a course will be converted to grades and grade points based on the scale below. The maximum Grade Point (GP) for each course is 10.00, corresponding to A+. For all courses, a student is required to pass Continuous Assessment (CA) and Semester End examinations (SE) separately with a minimum Grade Point of 5.0 for Graduate programs and Undergraduate programs corresponding to Grade D. Students securing less than D in any course will be declared FAIL in that particular head (CA or SE)

| Percentage of Marks	Letter Grade	Grade Points
95 and above	A+	10.0
90-94.99%	A	9.0
85-89.99%	B+	8.5
80-84.99%	B	8.0
70-79.99%	C+	7.0
60-69.99%	C	6.0
50-59.99%	D	5.0
Below 50%	F	0
Absent	AB	0

Evaluation and Student Progress:

- Students admitted to SIU, Dubai's 4-year (eight semesters) degree program, are allowed to keep term for two years from the date of admission beyond the normal period of the program, i.e., a student joining a four-year program must complete the program in six years from the date of admission. A student will attend classes of all the years with their batch. If a student does not receive the necessary passing grades; the following rule will be applicable as per the total number of semesters in a program:
- They cannot appear for the Semester End Examination of Semester 5 if they have a CGPA of less than 5.00 up to Semester 2.
- They cannot appear for the Semester End Examination of Semester 6 if they have a CGPA less than 5.00 up to Semester 3.
- They cannot appear for the Semester End Examination of Semester 7 if they have a CGPA less than 5.00 up to Semester 4.
- They cannot appear for the Semester End Examination of Semester 8 if they have a CGPA of less than 5.00 up to Semester 5.
- However, a student eligible to appear for a later semester will also be permitted to appear for all the previous semesters, irrespective of the (Allowed to Keep Term) ATKT rule applicable to that Semester. (e.g., a student with a CGPA less than 5.00 at the end of Semester 4 but a CGPA greater than 5.00 at the end of Semester 5 will be eligible to appear for semester-end examinations of Semester 7 and Semester 8).
